

UKRAINE HUMANITARIAN APPEAL

In support of:

WHAT'S HAPPENING

Millions of people have fled their homes to escape conflict in Ukraine. Leaving behind jobs, belongings and loved ones, they now face an uncertain future.

Intense conflict in Ukraine is threatening the lives and livelihoods of civilians across the country. Families have been separated. People have been injured. Lives have been lost. Homes have been destroyed or are unsafe to live in. Critical infrastructure such as health facilities, water supplies and schools have also been damaged or destroyed.

At Ukraine's borders with Poland, Romania, Hungary, Slovakia and Moldova, huge numbers of people are arriving with only what they can carry. In many places there are long waits to cross and scant facilities waiting for them on the other side, with temperatures dropping below freezing overnight.

18 MILLION

people are projected to be affected by the escalating conflict in Ukraine

4 MILLION

people expected to be displaced as the fighting continues

WHAT WE'RE DOING

The DEC is made up of 15 member charities, all experts in humanitarian aid and specialists in different areas of disaster response. They come together to speak in one voice and make fundraising more efficient when we launch an appeal.

During times of acute humanitarian need, the DEC and its member charities are there to provide a timely and effective response.

Pooling our resources to work as one, we are pivotal in co-ordinating the UK public's response to overseas disasters. In collaboration with our Rapid Response Network of national media and corporate partners, we raise the alarm to the UK public and set up easy ways to donate.
